Assalamu Alaikum,

We are pleased to inform you that **we already build the 2nd floor above our main floor** because of the lack of sufficient accommodation for Friday prayers and Islamic education. **At present, about one thousand five hundred** people can pray at a time at this mosque now.

This is an appeal to all Muslim brothers and sisters to donate generously towards the building of Baitul Mukarram Masjid and to finish the inside and outside projects.

We need to change all the 5 windows and doors, you can see on the pictures from top to bottom. It will cost \$100,000.00. 80% Construction is done. Now we need your help to finish paying off the loan of \$67,000.00.

Our Activities:

- Five times prayers, Friday Jummah prayer, both Eid prayers
- Khatme-Taraweeh, Qiamul-Lail
- Islamic education - Arabic, essentials of daily life, Islamic Studies
- Memorization of Quran (Hifz)
- Regular Discussions of Islamic Issues

Please remember the hadith of the Prophet Muhammad (saw) - ***"Whoever builds a mosque for Allah, Allah then will build for him/her a house in paradise."***

Please come forward and help the Masjid with donations to complete the project!
